His Excellency Prof. Dr. Shamir Ally
Ambassador Extraordinary and Plenipotentiary of the Republic of Guyana
Embassy of Guyana in Kuwait
Block 3, Street 321, Villa 3
Mubarak, Abdullah, West Mishref
State of Kuwait

Dear Ambassador Ally.

On behalf of my delegation, I take this opportunity to express our sincerest gratitude and appreciation to you, your wife Dr. Maryann Beebe Ally, and the other officials of the Guyana Embassy for the warm welcome and gracious hospitality extended throughout our first visit to Kuwait. We thank you for the grand and sumptuous luncheon that you hosted for the delegation, and the many opportunities and privileges we had to meet with very senior officials of key ministries and entities in Kuwait. We were especially thrilled to be hosted at the Banquet Luncheon of His Highness the Emir. And we will never forget the red carpet welcome you gave us at the Guyana Embassy.

I wish to laud both you and your wife for the tireless work you are doing, and your tremendous efforts in ensuring relationships are fostered and cemented with all the relevant high ranking officials and institutions in Kuwait. It was heartening to hear, and see, that both you and your wife, Dr. Maryann, were well-loved and respected by the diplomatic community as well as His Highness the Emir, Royal Family Members and people of Kuwait. In a very short period, you have been able to remove our Embassy from obscurity to one that is now strategically well-placed and recognised as the most active in Kuwait. You have managed to keep Guyana's interest and development as the top priority in your discussions and engagements with the royal families and other high ranking officials, including His Highness Sheikh Dr. Nasser Mohammed Al-Sabah. I consider your "One Man Band" performance and "Show and Tell" of Guyana a remarkable and tremendous success story.

My delegation will treasure, forever, the experiences of the visits to Saudi Arabia and Kuwait. The very encouraging results of our sojourn, especially our aggressive push for debt relief, speak to the success of our collaborative effort. Please continue to make Guyana proud.

Sincerely

Winston Jordan
Minister of Finance

H.E. Prof. Dr. Shamir Ally
Ambassador of Cooperative Republic of Guyana
Kuwait

Excellency and Dear Brother,

I would like to ask you for a service in relation to Cameroonians resident in Kuwait. The Embassy has designed Travel Permits which we have issued to numerous Cameroonians resident in Kuwait who have expressed their desire to benefit from the amnesty decided by the competent Kuwaiti authorities. Unfortunately, due to the containment measures decided by the Saudi authorities, it was not possible for the Embassy of Cameroon in Riyadh to replenish the stock of Travel Permit cards which had run out of stock. Furthermore, we decided to issue these Travel Permit on simple papers to Cameroonians who did not benefit from the available cardboards. Photocopies of these documents were sent to the concerned.

I would therefore like to ask you, due to the absence of a diplomatic representation of Cameroon in Kuwait, to kindly intervene with the competent Kuwaiti authorities so that:

- They take into account the simple papers Travel Permits and/or their photocopies
- Allow all these Cameroonians benefit from the advantages of the amnesty decided by the competent authorities.

The Embassy of the Republic of Cameroon in Riyadh presents its compliments to the Embassy of Kuwait in the Kingdom of Saudi Arabia and,

Has the honour to inform that in the absence of a diplomatic representation of Cameroon in Kuwait, the Embassy has asked H.E. Prof. Dr. Shamir Ally, Ambassador of Cooperative Republic of Guyana in Kuwait to represent its interest in view of the Cameroonians resident in Kuwait who have expressed their desire to benefit from the amnesty offered by His Majesty Sheik Sabah Al-Ahmad Al-Jaber Al-Sabah, for their repatriation.

Unfortunately, due to the containment measures decided by the Saudi authorities, it was not possible for the Embassy of Cameroon in Riyadh to replenish the stock of Travel Permit cards which had run out of stock. These same difficulties apply to mail services (ARAMEX, DHL, etc.) which are particularly slow at this time. Furthermore, the Embassy decided to issue these Travel Permit on simple papers to Cameroonians who did not benefit from the available cardboards. Copies of these documents were sent to the concerned by electronic means. The originals are on their way to Kuwait.

The Embassy would like to request from the Kuwaiti Embassy in Riyadh to kindly inform competent Kuwaiti authorities so that the Cameroonians whose names are herewith attached could fully benefit from the advantages of the amnesty and the generosity of the Emir (may Allah protect Him), his government and his people.

While thanking the Embassy of Kuwait in the Kingdom of Saudi Arabia for its usual collaboration, the Embassy of the Republic of Cameroon in Riyadh avails itself of this opportunity to renew to them the assurances of its highest friendly considerations.
